

Rupert Country Club

December Newsletter

December 2013

From the Clubhouse

As we come to the end of the year we are fast approaching our Annual Rupert Country Club Christmas Party. We will be holding this event at the Rupert Elks Club, we are planning a delicious Prime Rib/or Shrimp Dinner, with music and dancing to follow courtesy of Triple Shot. Look for the flyer in your inbox or mail for further details.

By now you've noticed our new website and newsletter available to you. If you know of other members not receiving this, please let us know, we will put them on our list. In an effort to use media as an effective form of communication we encourage all our members to explore our new site, offer suggestions for improvement and opt in to keep current on upcoming events. This site will continue to have changes over the next few months as we discover new ways to communicate with our members.

From the Board

We would like to welcome Shaylon Fenstermaker as a new member; he is home from college and working at Idaho Equipment & Sheet Metal, he purchased the Jeremy Petestio Family membership.

We are planning our Annual meeting for January 15th at 7pm. We will be electing three new board members for 2014 at this meeting. So mark your calendar

Golf is one of the oldest and most enjoyable games around. People who love golf come in all ages, from toddlers to 90 year olds. You get to feel the sunshine on your shoulders while completing a challenge and enjoying a day with friends or at least others who love the game as much as you do. Golf is just plain fun.

From the Course

After October 31st we go to Winter Rules: play is acceptable as long as we all remember to park our carts 30 feet from greens, keep carts in fairways, driving on hills dries the grass out faster.

Keep on cart paths when applicable, and use the temporary tees when designated.

We are in the process of rebuilding the tee box on #13; we have lowered the box and will be letting the soil settle over the winter, we will be laying new sod in the spring. Please be patient with our construction.

Remember- when using your cart in the Fall/Winter to please close the cart shed overhead doors after taking your cart out, Please check to make sure doors are closed before you leave. If you need a key please ask Bob.

Thank you

Thank you for reading our first Country Club Newsletter. We hope to bring you monthly information about our course, and its members. If you have an event or an announcement you would like to send to the membership, please feel free to contact any of our board of directors or pro shop staff. We would also like to invite you to explore our new country club website. . Please take a moment to visit the site.
